Division of Computing and Communication Foundations

To Whom It May Concern:

I wish to express my interest in collaborating on the research of Professors Charles E. Leiserson, Steven G. Johnson, and Rezaul A. Chowdhury as described in their research proposal, "SHF: AF: Medium: Collaborative Research: The Pochoir Stencil Compiler." In particular, I plan to contribute to the core compiler software for the Pochoir system. I will be separately funded by my university and do not seek any NSF funding for this collaboration.

Sincerely,

  
Yuan Tang  
Assistant Professor
